# IBM672-nn
## Product Specifications

IBM672 SpacePole® configuration supports the AnyPlace, 4610 printer and Ingenico 6200 Pin Pad. The IBM672 fits the 15", 17" and 19" AnyPlaces and also offers a range of flexibility including tilt, rotation and cable management. The IBM672 offers a range of flexibility and offers tilt, rotation and cable management. The cable cover comes as standard protects and manages cables into the pole; additionally the cover hides operational buttons but keeps engineering access simple.
